

Enterprise Management partner summit

FAQ

Getting ready for Seville

Is there a mobile app?

Answer: Yes! Starting April 19, you may access the Sage Enterprise Management Partner Summit event app from the main Sage Summit Events app. Currently available now for downloading from the [Google Play](#), [App Store](#), or view directly from the [web](#).

Logon using your email used to register for the event.

How do I build out my personalized schedule?

Answer: To build out your personalized schedule, just log on to the Sage Summit Events app and launch the Sage Enterprise Management Partner Summit event app with your email used to register for the event.

Once you have identified sessions to add from the 'Agenda | Sessions' section. Select "+Add to your schedule".

Note: this does not guarantee you a seat for any sessions added to your agenda. Plan to arrive on time as it is a first-come first-serve seating for all sessions.

Get app by downloading from the [Google Play](#), [App Store](#), or view directly from the [web](#).

What should I bring?

Answer: We've put together a [packing list](#) with some recommendations and helpful tips.

Registration

What does my registration include?

Answer: Full conference registration includes 2 nights' accommodation (single occupancy), access to all presentations, lunches and evening events. It does not include any additional food and beverage or travel expenses.

Where do I check-in to get my event badge?

Answer: You will get your event badge at the registration desk that will be at the Barcelo hotel, where the conference takes place.

Note: please ensure you wear your event badge for all conference events and activities.

Enterprise Management partner summit

Are there hotel discounts available for Sage Summit attendees?

Answer: Accommodation is included in the package. If you would like to extend your stay over the week-end, we recommend that you check prices on internet where you can get online offers which are usually more interesting than the group prices that we can negotiate with hotels.

Content/ learning

How do I build out my personalized schedule?

Answer: To build out your personalized schedule, just log on to the Sage Summit Events app and launch the Sage Enterprise Management Partner Summit event app with your email used to register for the event.

Once you have identified sessions to add from the 'Agenda | Sessions' section. Select "+Add to your schedule".

Note: this does not guarantee you a seat for any sessions added to your agenda. Plan to arrive on time as it is a first-come first-serve seating for all sessions.
